

LESSON PLAN

Primary Level: Primary 1

Subject and Topic:
Numeracy (counting)

Data Handling

Materials Needed:
worksheet
pencil
coloured pencils, markers or
crayons for colouring

Objectives:

- pupils can count to the number 6
- pupils can write numbers to 6
- pupils can identify different objects
- pupils know about nature

Differentiation:

- Pupils can work independently
- Each array (count 2 objects)
- Pupils can organise volumes of objects

Curriculum links:

Numeracy: Counting objects
Art & Design: Natural & manmade objects
World Around Us: Interdependence

Teaching & Learning

- WALT & WILF
- Class discussion based on the subject of Nature
- Watch the video on what Nature is
- Pupils work in pairs (recording information/data of observed items found in the school playground)
- Feedback - pupils reflect as a group on findings

Assessment:

Speaking/Listening - Pair & Share
- Students pair up and take turns describing what they observed outside.

Numeracy - feed back to teacher how many of each they saw

Timings: 40 minutes

NATURE SCAVENGER HUNT

Count and Colour

Count and colour the number of objects that you find
